Christmas Lesson

Christmas is a special time
To give, to serve, to love
It isn't just about yourself,
But others that you think of

The presents, the trees, the glowing lights
Are fun but have no part
In what the real meaning of Christmas is...
That is in your heart

Even if other people don't,
You should try to do
The things that you would want
Them to do to you!

The holidays are a busy time
But they are sometimes good
Because they keep you thinking
About others like you should

So this year, try to not think about yourself
But think of the things you can do
To help others have a wonderful Christmas
And you will find that you will be happy too

December BOCES Blocks

(Building a foundation through community education & skill sets)

ED2GO non-credit classes.

Update your skills, discover a new talent, or chart a new career path at your own pace and at your convenience!

Our instructor-facilitated online courses are informative, fun, convenient and highly interactive. All courses run for six weeks (with a two-week grace period at the end). Courses are project oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links and more.

How to Get Started:

1. Visit our Online Instruction Center at:
www.ed2go.com/kemmoutreach
2. Click the Orientation link and follow the instructions to enroll and pay for your course. You will also be provided an opportunity to choose the name and password you will use to access your online course. This step is critical! You cannot access your course until you complete orientation.
3. When your course starts, return to our Online Instruction Center and click the Classroom link. To begin your studies, simply log in with the name and password you provided during orientation.

Featured ED2GO Classes:

Grammar Refresher

The key to effective writing and speaking is English grammar. Whether you are just now learning the basics of grammar or if you need a refresher, this course will help you develop the foundational skills you need. In this course, you'll explore the eight parts of speech, punctuation and mechanics, foundational sentence construction, and we'll even get into the details of phrases, clauses, problem words, common grammar mistakes, and much more! An instructor will guide you every step of the way as you learn grammar through hands-on, practical exercises. You'll also learn through short videos, examples, and even fun games. Take your writing and speaking to the next level of excellence!

Survival Kit for New Teachers

Feel a little trepidation before entering your classroom? You're not alone! Whether you're already teaching, a newly credentialed graduate, or a substitute looking to transition to full-time, this course will provide you with proven tools, tips, and tricks to make your early years in the classroom a breeze.

Teaching is a balancing act, and it requires a blend of subject expertise and classroom skills to reach all of your diverse learners. In this informational and interactive six-week course, you'll learn the particulars of running a motivational classroom that will feel like home to your students.

You'll find out how to write winning lesson plans, reach diverse learners through differentiated instruction, communicate clearly, plan memorable events, and most important, keep stress at bay so you can feel good about going to work every morning.
