CONGRATULATIONS TO ALL OF OUR DUAL & CONCURRENT HIGH SCHOOL STUDENTS FOR THEIR SUCCESSFUL COMPLETION OF CLASSES.

Dual and Concurrent students are high school students who choose to challenge themselves by taking college classes while still in high school. 75% of the 2021 graduating class made this choice and will graduate high school with anywhere between 1 and 44 college credits.

A special recognition to Sydnie Julander who earned 44 college credits while still in high school and was admitted into Northwest College's nursing program based on her excellent academic performance and her high level of motivation. We wish her the best of luck.

For more about dual/concurrent classes contact an LCSD#1 high school counselor.

Life begins at the end of your comfort zone.
