ED2GO

ED2GO Classes

ED2GO Non-Credit Classes: Update your skills, discover a new talent, or chart a new career path at your own pace and at your convenience! Our instructor-facilitated online courses are informative, fun, convenient and highly interactive. All courses run for six weeks (with a two-week grace period at the end). Courses are project oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links and more.

How to Get Started:

1. Visit our Online Instruction Center at: www.ed2go.com/kemmoutreach
2. Click the Orientation link and follow the instructions to enroll and pay for your course. You will also be provided an opportunity to choose the name and password you will use to access your online course. This step is critical! You cannot access your course until you complete orientation.
3. When your course starts, return to our Online Instruction Center and click the classroom link. To begin your studies, simply log in with the name and password you provided during orientation.

Tumbling

Spring Tumbling

Plant Operations Certificate at Western

An operator in industry is an individual who operates the mechanical device used in a particular process. Their responsibility is to monitor, troubleshoot, adjust, and make slight repairs to the equipment used in a process. Operators in Southwest Wyoming are used in soda ash, fertilizer, electrical power plants, and gas plants.

REMINDERS

*Want help with a resume or need to brush up on interviewing skills? Want to do some career exploration? Set up an appointment for 1 on 1 help with a BOCES staff.

*Have a skill? Interested in teaching a class? Contact BOCES about becoming an instructor.

Earth Day Challenge

Here are some ideas for an Earth Day challenge:

- **Plant a tree:** Planting trees helps combat climate change by absorbing carbon dioxide and releasing oxygen.
- **Conserve water:** Take shorter showers, fix leaks, and be mindful of water usage.
- **Use reusable items:** Opt for reusable water bottles, shopping bags, and containers instead of single-use plastics.

- Registration opens for Western's Fall 2025 classes on April 9, 2025!
- Western Wyoming Community College Summer Classes start June 2, 2025.
- If you need help filling out the FAFSA, come and see us at the BOCES.
- Contact the BOCES to make an advising appointment for Summer or Fall 2025:
